Van Buren/Cass District Health Department Announces Flu and COVID-19 Vaccine Clinic
Stay protected by getting vaccinated

Lawrence, MI - As part of our ongoing commitment to public health and community well-being, Van Buren/Cass District Health Department (VBCDHD) is excited to announce an upcoming Flu and COVID-19 vaccine clinic. This initiative aims to provide convenient access to essential vaccinations, promoting overall health and helping to safeguard our community against influenza and the ongoing threat of COVID-19.

With holidays approaching and the ongoing challenges posed by Influenza and COVID-19, it is more crucial than ever for individuals to protect themselves and their loved ones by getting vaccinated. Vaccination not only reduces the risk of contracting these illnesses but also helps prevent severe illness and potential complications.

VBCDHD is proud to play a part in safeguarding our community's health. We look forward to welcoming you at our upcoming flu and COVID-19 vaccine clinic. Together, we can take proactive measures to prevent the spread of the flu and protect the well-being of our community. At the Flu and COVID-19 vaccine clinic, our dedicated healthcare professionals will be on hand to administer vaccines, answer any questions, and provide information on the importance of vaccination. Anyone six months of age and older are welcome and high dose flu vaccine will be available. Please bring a valid identification, with proof of insurance. Walk-ins will be welcome, but **we ask you to make an appointment prior to the clinic to ensure availability of vaccines and productivity of the clinic.**

Date: Tuesday November 28th, 2023

Location: United Methodist Church,

Address: 197 W Main St, Marcellus, MI 49067

Time: 2:30 PM to 5:30 PM

For more information about vaccine clinics, and to make an appointment please visit our website at <https://vbcassdhd.org/>. You can also make an appointment at the health department by calling 269 - 621 - 3143.
